

ANDY AMUNA FOUNDATION
CALL FOR APPLICATIONS (CFA)

About AAF

Andy Amuna Foundation is a Foundation built out of the principles and values of the late young Engineer Andrew Mbabilla Amuna, whom prior to his demise, strongly influenced individuals to embark on initiatives which helped to partially alleviate the pains of the destitute in some communities in his home country of Ghana. The foundation thus focuses on poor but brilliant students in Ghana by providing financial or learning equipment to support knowledge development in poor communities in our effort to bridge the gap between the poor and the rich in society.
